Roy's Weekend Round Up

An early casualty to the weather was the 1st's game because of the ridiculous policy of Haringey Council only to inspect Crouch End's pitches on Wednesdays which means that, if the weather changes later in the week, the wrong decision is usually made. Maybe not this time as it just kept on raining.

No trouble at Alan Drive though where the 2^{nds} had a fixture against old rivals Owens, who, like us, have had an indifferent start to the season. It was a very tight game and we only made it look comfortable with two goals in the final few minutes.

It was also far from plain sailing for the 3^{rds} who let in two goals just before halftime to trail 1-2. However, they stormed into the second half determined to rectify this injustice and up stepped captain Lee Sterry to get yet another vital goal to set them on the road to recovery. They extend their amazing run to 9 consecutive wins.

The 4^{ths} had a tough fixture against top of the table Owens 6^{ths} who, strangely, were 10 points ahead of their own 5^{ths}!

This seems to be happening a lot lately and suggests yet again a hint of squads. However, the 4^{ths} did not really get into gear to threaten an upset.

Having not had a fixture against Isleworthians for many years, the 5^{ths} drew their 4^{ths} in the AFA Cup a week after the 4^{ths} lost to heavily to their 3^{rds}. No problem for the 5^{ths}, however, and they are turning into the dark horses this season. Sam Warne has his team sitting two points off the top of the league and through to the last 16 of the AFA Cup. Ben Allen also moves closer to Sam Berry at the top of the Goalscorers.

The 7^{ths} had the unusual task of playing an 11th team – it's good to see at least one Club thriving when many others are shrinking. After difficulties getting a side together and heavy delays on the North Circular, our 7^{ths} were never in the right frame of mind to play their best.

The 8^{ths} had a tough fixture against Finchleians 7^{ths} to mark the debut of Matt Freeman as captain. Looks like his first job will be to work on defending! Perhaps more important than that is to find the key to Bethune Park that never returned to the Key Cabinet following the game there the week before!!!

Little Walters Blues Club

Mick Hammersley, a long time former, if inaccurate(!), EBOG centre forward, is now fronting a monthly Blues Club at The Maltings Art Centre, St. Albans.

The **Little Walters Blues Club** aim is to showcase top talent playing all types of Blues from Delta, funk, gospel and Chicago blues. The venue is in a Theatre setting with tiered seating and superb acoustics and sound. The front of the stage has café style tables laid out that give a real club feel and yes there is a bar!

The gig on 14th November was a sell out. The next show is on 5th December featuring Lillian Boutte & Denny Ilet. If Blues is your thing visit the website for all the details: www.littlewaltersbluesclub.co.uk

EBOG Soup

Mike Brazier having the first cup of soup from EBOG's new soup kettle.

We'll now be offering soup on cold Saturday afternoons.

Roof

Lee Sterry and his firm Deardon Roofing are more than halfway through the roof job despite the adverse weather. At one point last week they had to abandon work for fear of being blown off the roof! Although not yet finished, the middle section of the roof should now be watertight which is great news in view of the terrible weather.

Funding is going well but:

More donations please!
